Carnegie Library and Reading Rom closed summer 2015 due to construction

The Carnegie Library will be closed this summer, from Monday, May 11 through August 29, 2015. Additional renovation work in the building, including the construction of new restrooms, may pose safety hazards, as well as create noise, dust, and general disruption for users of the Library.

Items needed from the library may be requested through an [online request form](#), by calling (315) 443-5727 or by stopping at the Circulation Desk on the 1st floor of Bird Library. Material will be retrieved and available for pickup at the Bird circulation desk or delivered to faculty offices. All summer Reserve items, including those normally held at the Carnegie Library service desk, will be available at Bird Library.

Librarians with offices in Carnegie Library will be available by appointment and can be reached by phone or email. See <http://library.syr.edu/about/departments/rcsc/team.php> for contact information.

For additional information, please contact Melinda Dermody, Head of Access and Resource Sharing, at 443-5332 or mdermooi@syr.edu.
